**STEWARDSHIP**

*"Get up and eat, else the journey will be too long for you!"*  
1 Kings 19:7

Jesus knew that the stewardship journey would be difficult, so He gave us the nourishment of the Eucharist. When we take time to join our sacrifices with the sacrifice of the Mass, we find the strength to give and joy in our giving.

**Pastor's Notes** 

A huge word of thanks and gratitude to our Quilters. These ladies, coming together on Tuesdays in the Parish Center, not only stitch together beautiful quilts, but in the process provide the funding for the hosts and wine used everyday at Mass and, in the past few weeks, provided the funding for fixing our main well. Our well, in place since the parish was merged and moved to this location in 1961, had lost some of its electrical panel and pump. We still had water, we just could not get it to the surface and into our holding tanks. The ladies contribution of \$6,000 made fixing the well possible and we can now go off the Athletic Association's well (which if it had not been for their well, we would have been in HUGE trouble). My thanks to both groups for keeping us open and for all of the repairs.

Before long we will all be back in school. The parish really does revolve around the school calendar whether it is the full time school or the Monday evening public school religion classes. I hope everyone is enjoying these final days of relaxation, we will be seeing all of you back in the buildings soon.

Peace,  
Fr. PC

Assumption of the Blessed Virgin Mary Saturday, August 15, is not a holy day of obligation this year. There is a Mass at 10am.

*Absent in the body present with our Lord.  
In your kindness pray for the repose of the soul*

*May God welcome them home, fill them with peace,  
and bless those who will miss them.*

## YOUTH MINISTRY

### Answered Prayer

Have you ever breathed a prayer for help and God sends more than a 105 people to answer your prayer? Every summer for the past 9 years our Youth Ministry program has done a summer service week. Six years we stayed here in our community and three years we went out of state. Last year we had the awesome opportunity to do service in the Appalachian mountains. It was an amazing experience and I noticed that the community we were working in had some of the same needs as our community. I prayed to God and said if our group was bigger it would be nice to be able to help the people in our area in a bigger way. Well, God agreed and sent us the youth from St. Elizabeth Ann Seton Parish in St. Charles. They were looking for a new site that would host their Seedbearers program. Seven of our youth along with five of our adults worked with 93 of the youth and adults from St. Elizabeth's to do mini makeovers to 7 homes in our area. The week was filled with a lot of work and sweat along with prayer, fun and fellowship.

Along with the workers for the week we are very thankful to the Knights of Columbus and the Ladies Auxiliary for the amazing dinner they provided for family night of the Seedbearers week. They provided a delicious dinner for 300 people. Thanks to Northwest High School and Scott Gerling for allowing us to take daily showers there. Thanks to Larry Lammert for delivering rock to the sights. Thanks to the parish for sharing your buildings for the week and for supporting this great cause. Thanks to everyone who helped us in any way. The point of this story is that when we pray expect amazing answers.

### Aluminum Can Drive

Wow, thanks to everyone who donated to our aluminum can collection this month. With your help we raised \$114 for Youth Ministry. Remember to

only donate aluminum cans, radiators, copper, and other precious metals. DO NOT put plastics, bottles, rocks, aluminum foil or pans or trash. The recycling center gives us a generous return and it is not respectful to them if we put items that are not appropriate in the can collection. Thanks to Ken Bohnert for his time, talent and trailer every month for this collection. God Bless you all!

### Back to School Bowling Night

Next Sunday, August 16th we will be going bowling instead of meeting for our regular Sunday evening Youth Night. If you are in high school and wish to go bowling with us Sunday evening call Terry to make your reservation and for more information. Reservations are due by August 10th.

Dear Fr. Christopher and Parishioners of OLQP,

On behalf of the Seedbearers of St. Elizabeth Ann Seton Parish we would like to thank you for your gracious hospitality you have shown us this past week.

We were very excited to work on the many homes in House Springs within your parish boundaries. The use of your facilities were very accommodating and we are grateful for their use.

Thank you to all the parishioners for all the support and for making this years efforts very successful.
